Elematec Corporation Announces Organizational Reform

Elematec Corporation at the Board of Directors meeting held on October 30, 2013 made a decision to restructure its organization as follows.

Establishment of a division (as of December 1, 2013)

Due to the partial review of Elematec business partners' production, research and development and design systems, the Company will also review its service system and build an efficient sales system. Therefore, Chiba Branch will be newly established in Mobara-shi, Chiba.

Accordingly, the current Ishikawa Branch (Komatsu-shi, Ishikawa) will be reorganized into sales office (Ishikawa Sales Office) on the same day.
